**Parties Pre-Hearing Document Procedure**

**HEARING OFFICER ACTION:**

The parties in the Dockets shall meet or otherwise confer on or before October 19, 2018, and agree as fully as possible on the admissibility of all exhibits attached to pre-filed testimony in this case. No pre-numbering of hearing exhibits need be done. The parties do not have to agree on the admissibility of any documents that would be used in an attempt to impeach various witnesses. If any issues on the admissibility of particular exhibits remain unresolved, these shall be noted in the pre-hearing briefs, along with the specific objections to the admissibility of the exhibits in question. Objections shall be specific, but succinct, stating the legal grounds and short argument. See Rule 26.07 of the U.S. District Court Rules for an example of the appropriate format for such objections. Failure to note remaining objections to the admissibility of specific documents in pre-trial briefs may be deemed a waiver of the right to raise objections to the admissibility of the specific documents at trial. This ends the Hearing Officer's Directive.
